

I found us here with toy fish

mark so

[for Adam, Dawn, Gary & Tashi]

[a few people, free to move about

*choice clusters of whatever
you desired in time past,*

rushing in to fill the unthinkable well.

– John Ashbery, “The Weather, for Example”

make a few brief recollections by any means, each made to one other, spaced freely

simple, unamplified (ordinary), free to overlap

[a transient system
